Sir,

I have the honour to inform you that Mr A Gopalacharlu, Manager of the Srinivasa Mandiram Orphanage applies for eight scholarships of Rs 2/8 each for eight boys of the orphanage whom he has after considerable difficulty arranged to send to the Southern Maharatta Railway workshops to learn the work of mechanic and fitter. The movement is a healthy one and deserves encouragement. The sooner poor Brahmin lads are accustomed to manual work the better for their future happiness. Mr Gopalacharlu

asks for the scholarships for the reasons that the boys sent to the workshops have to be better fed on account of their hard physical work than other orphans, and have to be provided with soap, towels, books and additional clothes for working in the Railway workshops.

2. I recommend that Rs 20 may be sanctioned with effect from 1st July 1901 for the eight scholarships either from the Local Funds General or from the savings from the State Funds Budget of Rs 44 shown in the concluding paragraph of my letter No $\frac{3501}{123}$ dated 8th October 1901.

I have the honour to be,

Sir,

Your most obedient servant,

H J Bhabha
